Ricklynn Roost Inspired Designs

My roots are here- I was born and raised in this small town and this is where I will remain with my small family. My company is named in honor of my late Grandma Ricky Lynn Lanning who loved and collected all things rooster.

Ricklynn Roost specializes in custom interior and exterior signage (logos- quotes, realtor/cabin owner gifts, decor-laser engraved items or cut milled). I have worked with many clients on one off signs or larger clients to enhance the look and feel of their property!

While launching our first retail storefront we have added clothing to our lineup to round out what we offer.

We are opening May 16th! Our hours will be limited to begin with; we will host exclusive bookings for shoppers and host all of the inventory online.

The gift of art has always been a passion and saving grace-I am beyond excited to share this with our community and those who visit!

Message from Our Chair – Uma Zielinski

Who would have thought that on April 19th we would still be saying the s word and seeing snow in the air, threatening to land on our precious spring flowers. The peaks and valleys of OH weather have been more extreme than I recall in past years. Fingers crossed as you are reading this edition that winter has fully departed.

Regardless of the weather we had a great turn out for our April Seminar Series where we had three strong insurance providers: Logan Insurance Agency, Wichert Insurance and Stockton and Hill Insurance. They shared some great content and tips for us to ensure we are property protected against losses. If you couldn't attend; but want their materials, please just send me a message. The ice storm early in the year proved to us we need to be protected and insured correctly for damage and loss of income.

In May we move into a few social events – our 3rd Annual Golf Fundraiser will be held on May 17th. We have 12 teams already signed up and look forward to adding a few more for friendly competition and fun. The week after on May 23rd we will host another Mix and Mingle. We hope you take the time to come support the association as well as your fellow business owners at one or both events.

We welcome your continued feedback and support. Together, we can reach new milestones and find more ways to support one another. Thank you for supporting each other and the prosperity of our region.

All My Best – Uma

Our Mission

To serve as a unified voice to promote cohesion between members, government, local businesses, and residents to support and strengthen our local lodging community.

We want to create a favorable climate that promotes the overall health and sustainability of the lodging and tourism industry within the Hocking Hills region.
